

FRAGILE
HANDLE WITH CARE

What Do You Want To Send/Ship/Forward Today?

Is your future growth in a holding pattern?

Land your new facility at one of Sawyer International Airports facilities and have direct access to anywhere in the world for your products and services. We boast vast, un-congested air space, a 12,370 foot runway and adjacent rail access. Deep-draft ports nearby and trucking access from our site make Sawyer the ideal location for your relocation or new operation. You can get there from here, and we'll make the experience even more affordable with renaissance zone tax free status. Call us today for more information, or visit our website for a virtual tour.
