**AMERICAN EAGLE AIRLINES TEMPORARILY
ADJUSTS FLIGHT SCHEDULE AT SAWYER**

MARQUETTE COUNTY – Gwinn, MI – American Eagle Airlines, the regional affiliate of American Airlines, is making temporary seasonal adjustments to its flight schedule at Sawyer.

Beginning Tuesday, March 2 and continuing through April 5, American Eagle will suspend Flight-4179, that currently offers non-stop regional jet service from Sawyer International Airport (MQT) to Chicago's O'Hare International Airport (ORD) at 9:20 a.m.

During this period, American Eagle will continue to provide direct one-stop service to Chicago. On April 6, non-stop service from Sawyer to Chicago will resume.

Although every attempt is made to contact passengers affected by this temporary reduction in service, some flight reservations are made via the internet on websites such as: Travelocity, Hotwire, Cheap Tickets, and others, and local telephone contacts are not always available to American Airlines' reservation sales agents for re-booking of ticketed passengers.

Any passengers booked on American Eagle between March 2 and April 5 should contact American Airlines reservation sales desk at 1-800-433-7300 for rebooking of their travel itinerary.

We apologize in advance for any inconvenience this may cause to your travel plans or itinerary.
