AIRPORT OFFICIALS PREPARING PARKING LOT FOR FINAL CONSTRUCTION IMPROVEMENTS

MARQUETTE, MI . Marquette County and Airport officials are nearing the completion of a 2-phase XX-day project constructing a number of improvements to the airport passenger terminal-area parking lots. The main parking lot, now with over 600 vehicle spaces, will be ready for vehicle traffic and passenger use for the morning departures beginning Monday, July 21.

The week of July 14th will include the final installation and testing of parking lot light poles, layout and striping of the parking lot spaces in the main passenger parking lot. Installation of permanent directional signage and decorative fencing will be installed with in the next 30-days.

Keith Kaspari, Airport Manager at Sawyer International Airport commented that, "This parking lot expansion project will continue to position Sawyer to look to the future and be ready to accommodate continued growth for current and future users of the passenger airline terminal.+"

Kaspari further commented, "On behalf of the entire airport staff, I'd like to give my thanks to all passengers, airport employees and rental car tenants and their customers who have been very understanding and cooperative during the two-phase construction project. We believe that the expanded parking lot will serve Sawyer very well for many years to come.+"
