Re: Airport Master Plan Update

Mead and Hunt continue to finalize the remaining chapters. Here is the tentative schedule for staff to receive the chapters. Staff will review each chapter and return with initial comments. Then the revised drafts will be sent back for Airport Advisory Committee review and comment.

Chapter 7 ó Economic Considerations by March 6.

Chapter 3 ó facility Requirements by March 9.

Chapter 4 Alternatives by March 23.

Chapter 5 will be finalized after Chapters 3 & 4 has been reviewed.

With this schedule in mind, I am pushing to get Chapters 7 & 3 to the Airport Advisory for the April meeting. The intent is to have the entire document complete for May or June. At which time there will be an additional meeting with the County Board for its final review and approval.
