

## **PUBLIC NOTICE**

Sawyer International Airport, a department of the County of Marquette, hereby provides notice of its intent to submit Application 08-09-C-00-SAW to the Federal Aviation Administration to impose Passenger Facility Charges (PFC) and to use PFC revenues for projects at Sawyer International Airport.

The proposed PFC charge level is \$4.50, the proposed charge effective date is August 1, 2011, and the proposed charge expiration date is November 1, 2009.

A list of projects contained within the application is available for public viewing in the Airport Administration office at the Airport Services Center, 125 G Avenue, Gwinn, Michigan 49841 and on the Internet at [www.sawyerairport.com](http://www.sawyerairport.com).

The completion of the projects proposed for PFC funding is predicated upon the receipt of funds from the Airport Improvement Program. The PFC will provide local matching funds for these projects.

Keith Kaspari, Airport Manager, can be contacted at 346-3308, X-222, or at [kkaspari@mqtcty.org](mailto:kkaspari@mqtcty.org) for those members of the public that may have a question regarding any of the projects contained within the application.
